

## **Fritts-Freeman Pet Bed Sew In – November, 2017**

### **CONGRATULATIONS ON YOUR ROUSING SUCCESS WITH PET BEDS**

Our Guild Members can be justifiably proud of their contributions of new pet beds for the Freeman-Fritts Animal Shelter. Between efforts made at home and during a “Sew-In” on November 20<sup>th</sup>, a total of 73 pet beds were made and delivered to the shelter in time for Christmas. A few more are being quilted.

The Thank-you note from Sandy Leyendecker, Executive Director at Freeman-Fritts, says: “Your pet beds for our animals are just amazing. We are very appreciative of the beds and the time you spent making them for us. To see so many beautiful beds at once was a delight. Now we are able to send our animals home with a bed to add to their comfort away from the shelter. Thank you again for helping us. Please feel free to come visit any time. Our animals love the extra attention. “

What a wonderfully colorful pile of pet beds!

While we were at Freeman-Fritts making the presentation, one of the beds went home with a small dog that had just been awarded a new home and family.
