

“Fall”ing in Love with Thread Sketching and Painting Supply List

Sewing Machine in good working order, I recommend hooping a piece of cotton and cut away stabilizer and testing the threads you plan to use by free-motion stitching circles inside the hoop. It is best to identify machine issues a month before the workshop so a dealer/technician can assist you.

Power cord(s)

Foot control

Work table and knee lift if your machine has one.

Machine manual or print the manual pages that describe how to set your machine up for free- motion stitches and lower your feed dogs

Free-motion presser foot

Patchwork/ ¼” presser foot

2-3 Bobbins

90/16 Top stitch sewing machine needles

80/14 Microtex or Sharp sewing machine needles

8” or smaller embroidery hoop that fits under the presser foot of your sewing machine (be sure to test)

A second embroidery hoop (can be any size) with stabilizer and muslin (solid light colored fabric) hooped to test machine, stitches, and do warm up practices

Marking pens, pencils or chalks that show up on fabrics chosen

Small scissors to trim threads, I like a curved blade that allows you to clip closely

Pins

Seam Ripper

Paper Scissors

Pencil

Black Sharpie Ultra Fine Tip

2 Gallon sized Ziplock Storage bags, the best ones are the totally clear ones

Parchment paper, 2 pieces 12” x width of roll

One 8 ½” x 11” piece of paper backed, Light Weight Fusible Web, I use Steam-A-Seam Lite

Construction Thread to piece the wall hanging together

Bobbin Thread that is 50-60 wt., I use the Bottom Line Brand in a deep purple for the whole project.

Four pieces of a medium weight Cut-Away Stabilizer that measures 11 ½" x 11 ½"

One piece of water soluble, light weight stabilizer that measures 8 ½"x 11", This is the stabilizer that is used when machine embroidering nappy items like bath towels, I used a Sulky Solvy light weight one

Please note all fabric is 100% Quilter's Cotton, that is a solid or reads like a solid, so the threads are featured. Also, I have listed the thread number that I used for this project. They are a polyester embroidery thread made by Florianni. You can find a thread chart on their website, <http://www.florianisoftware.com/floriani-resources.html#thread>

Elm or Pear Leaf Block

Back ground Fabric 1 piece that measures 11 ½" x 11 ½" I used a mossy green color

Applique Fabric 3 ½" x 4 ½" in a Deep Red one piece

Applique Fabric 3 ½" x 4 ½" in an Orange Red one piece

Light Yellow Thread PF734

Light Orange Thread PF711

Maroon Thread PF198

Oak Leaf Block

Back ground Fabric 1 piece that measures 11 ½" x 11 ½" I used a mossy green color

Applique Fabric 3 ½" x 7 1/2" in a Tan one piece

Light Yellow Thread PF734

Brown Thread PF769

Gingko Leaf Block

Back ground Fabric 1 piece that measures 11 ½" x 11 ½" I used a mossy green color

Applique Fabric 5" x 5 1/2"

Yellow/Orange/White Variegated Thread 55

Light Orange PF533

Leaf Branch-Thread Painted

Please bring Medium to Light Orange Fabric 3 ½"x 11" incase you decide that thread painting is not for you.

Two pieces of black tulle or wedding netting 11 ½" x 11 ½"—this is a fine net, and drapes, think veil not petticoat. If it is not available, consider black polyester organza

One piece of water soluble, light weight stabilizer that measures 11 ½"x 11 1/2", This is the stabilizer that is used when machine embroidering nappy items like bath towels, I used a Sulky Solvy light weight one (Note this is the second piece of this item)

One piece of Medium Water-Soluble Stabilizer that measures 11 ½" x 11 ½". This product should be a white color to make your marks easier to see.

Medium Orange Thread PF 755

Brown Thread PF769

Light Orange PF533

Borders

For the inner border I used a fat quarter, but I did have to piece the last two ends. The actual measurements were:

Two pieces 1 ½" x 9 ½"

Three pieces 1 ½" x 19 ½"

Three pieces 1 ½" x 21 ½"

For the Outer border I cut three pieces that were 5 ½" x 42"

Items needed but they can be share in groups of 4-5

Rotary cutter and Mat

6" x 24" Acrylic Ruler

10"x 10" or larger square Acrylic Ruler

Iron and Ironing Boards

Power Strips

Finished size is 30" x 30"
