

CASSEROLE CARRIER

Cut (1) for Inside print 17 x 17
Cut (1) for Outside print 17 x 17
Cut 1 from Insulbrite 17 x 17

Place right sides together and then place the Insulbrite to one of the sides.

Sew along 3 sides, on the 4th side leave a 3.5" opening for turning.
Turn right sides out; topstitch $\frac{1}{4}$ " from the edge all the way around.

To create the handles you will cut (2) 5 1/2" squares.

On two sides - fold in a $\frac{1}{4}$ " to wrong side & press.

Now fold the other two sides in half wrongs sides together and press.

Open and press again each raw edge into the middle pressed part.

Stitch along each edge and the middle.

This will create the short carrier loops for the handle to come through

Sew the two short pieces to a corner opposite of each other

Now to create the handle you will cut one 5 1/2 x 17 and do the same thing you just did *with the short loops*

Sew the two short pieces to a corner opposite of each other

Sew the long handle to the two other opposite sides
