I copied the actual blueprint search that they can click on

The Pellon -Peltex 71F is Single Sided Fusible Ultra Firm Stabilizer
I usually just order on Amazon but I think Joann sometimes carries this one.

The snaps I use are the KamSnaps. The first time I bought directly from their website as they had the best deal for the whole package. The basic Pliers are the ones I bought, the website has several and Lots of tutorials on how to use and problem solving
